| I Introduction, Theory and Methodology | 1 |
| 1 Introduction | 3 |
| 1.1 Research Questions and Outline | 6 |
| 2 Previous Research | 11 |
| 2.1 Previous Research on | |
| Insurgent Cohesion and Fragmentation | 11 |
| 2.1.1 Critique | 17 |
| 2.2 Previous Research on | |
| Counterinsurgent Mobilization | 20 |
| 2.2.1 Critique | 26 |
| 2.3 Previous Research on | |
| Conflict Duration and Outcome | 27 |
| 2.3.1 Critique | 32 |
| 2.4 Summary | 34 |
| 3 Theoretical Framework | 35 |
| 3.1 Concepts | 36 |
| 3.1.1 Conflicts, Organizations, and Communities | 36 |
| 3.1.2 Wartime Violence and Types of Targeting | 38 |

| | | |
|-----------|--|-----------|
| 3.1.3 | Wartime Collective Action and Mobilization | 39 |
| 3.1.4 | Insurgent Cohesion, Fragmentation, and Control | 41 |
| 3.1.5 | Socialization and Indoctrination in Armed Groups | 43 |
| 3.2 | The Paradox of Insurgent Collective Action | 45 |
| 3.3 | The Consequences of State Violence for Wartime Collective Action | 49 |
| 3.3.1 | Insurgent Cohesion and Defection | 51 |
| 3.3.2 | Counterinsurgent Collective Action | 55 |
| 3.3.3 | Insurgent Survival and Conflict Termination | 58 |
| 4 | Methodology | 61 |
| 4.1 | Causality Conception | 61 |
| 4.2 | The Potential Outcomes Framework | 65 |
| 4.3 | Identification Strategies | 69 |
| 4.3.1 | Selection on Observables | 69 |
| 4.3.2 | Selection on Unobservables | 72 |
| 4.3.3 | Natural Experiments | 74 |
| 4.4 | Case Selection for Subnational Analysis | 77 |
| II | State Violence and Insurgent Organizations | 79 |
| 5 | State Violence and Insurgent Fragmentation | 81 |
| 5.1 | Introduction | 81 |
| 5.2 | A Theory of State Violence and Insurgent Fragmentation | 83 |
| 5.3 | Data and Empirical Approach | 97 |
| 5.3.1 | Estimation Framework & Unit of Analysis | 97 |
| 5.3.2 | Key Variables | 98 |
| 5.3.3 | Theoretically Relevant Confounders | 102 |
| 5.4 | Results | 108 |
| 5.5 | Discussion and Conclusion | 118 |

| | |
|--|-----|
| Supplementary Material | 123 |
| III State Violence and Civilian Communities | 131 |
| 6 State Violence and Counterinsurgent Collective Action | 133 |
| 6.1 Introduction | 133 |
| 6.2 A Theory of State Violence and Counterinsurgent Collective Action | 135 |
| 6.2.1 Two Types of Counterinsurgent Mobilization | 136 |
| 6.2.2 State Violence and Counterinsurgent Collective Action | 140 |
| 6.3 Empirical Context: The Peruvian Civil War | 144 |
| 6.4 Identification Strategies | 150 |
| 6.4.1 Three Periods of Political Violence | 152 |
| 6.4.2 Difference-in-Differences | 154 |
| 6.4.3 Spatial Regression Discontinuity | 158 |
| 6.4.4 Estimation | 162 |
| 6.4.5 Measurement of Key Variables | 162 |
| 6.5 Results | 166 |
| 6.5.1 Difference-in-Differences | 166 |
| 6.5.2 Regression Discontinuity | 170 |
| 6.6 Conclusion | 179 |
| Supplementary Material | 185 |
| IV State Violence and Armed Conflicts | 191 |
| 7 State Violence and Conflict Duration and Outcome | 193 |
| 7.1 Introduction | 193 |
| 7.2 A Theory of State Violence and Conflict Termination | 195 |

| | | |
|-------|---|------------|
| 7.2.1 | Insurgent Mobilization | 196 |
| 7.2.2 | Insurgent Cohesion and Fragmentation | 201 |
| 7.2.3 | Polarization and Militarization | 206 |
| 7.2.4 | Hypotheses | 209 |
| 7.3 | Estimation Framework and Empirical Approach | 213 |
| 7.3.1 | Causality and Covariate Balance | 213 |
| 7.3.2 | Modeling Conflict Duration | 214 |
| 7.3.3 | Modeling Conflict Outcomes | 215 |
| 7.3.4 | Unit of Analysis and Dependent Variable | 216 |
| 7.3.5 | Independent Variables | 218 |
| 7.3.6 | Theoretically Relevant Confounders | 219 |
| 7.4 | Results | 227 |
| 7.5 | Conclusion | 239 |
| | Supplementary Material | 243 |
| | V Conclusion | 247 |
| 8 | Overall Conclusions and Outlook | 249 |
| | Bibliography | 257 |
