

Table of Contents

1. Introduction ----- 5

2. Background ----- 5

2.1. *The angioarchitecture of CDAVs* ----- 6

2.2. *Important angiographic aspects of CDAVs* ----- 6

2.3. *Previous remarkable contributions* ----- 7

2.4. *Synopsis of the Thesis* ----- 9

3. Summary ----- 10

4. Reprints of original publications ----- 13

4.1 Cranial dural arteriovenous fistulae. Part 1: Anatomy and embryology of the bridging and emissary veins ----- 13

4.2 Cranial dural arteriovenous fistulae. Part 2: The shunts of the bridging veins and leptomeningeal drainage ----- 14

4.3 Cranial dural arteriovenous fistulae. Part 3: Classification for the analysis of shunts with leptomeningeal venous drainage ----- 15

4.4 Cranial dural arteriovenous fistulae. Part 4: Clinical presentation of the shunts with leptomeningeal drainage ----- 16

5. Evaluation ----- 17

Appendix 1: Acknowledgment ----- 19

Appendix 2: Curriculum Vitae ----- 20

Appendix 3: Publication list ----- 25

Appendix 4: Teaching experience ----- 30

6. References ----- 32
