

## Table of Contents

List of Tables .....	v
List of Figures .....	vi
List of supporting information .....	vii
Abbreviations .....	viii
List of appendices .....	x
Acknowledgements .....	xi
Summary .....	xiii
Introduction .....	1
1.1 Tuberculosis .....	1
1.1.1 A short overview of the disease, its diagnosis and treatment .....	1
1.1.2 Global burden of disease .....	2
1.1.3 TB in Tanzania .....	3
1.2 Determinants of TB .....	4
1.2.1. Socio-cultural determinants of TB .....	4
1.2.2 Socio-cultural determinants of TB in Tanzania .....	6
1. 3 Health care seeking behaviour .....	8
1.3.1. Health care seeking behaviour and pathways to care .....	8
1.3.2 Health care utilization in relation to health care seeking .....	9
1.4 Healthcare seeking for TB and loss to follow-up in TB .....	13
1.5 Delay in healthcare seeking for TB .....	14
1.6 Loss to follow-up in TB .....	16
1.7 TB and Gender .....	18
1.7.1 TB in men and women .....	18
1.7.2 Framework for the study of gender and TB .....	20
1.8 Costs of TB care in relation to poverty and gender .....	22
1.9 Traditional healers and TB .....	23
1.10 Conclusion .....	24
2. Research Questions, Aims and Methods .....	26
2.1 Cohort study .....	26
2.2 Intervention study .....	26
2.3 Research Questions & Hypothesis .....	27
2.4 Aims .....	28
2.5 Methods .....	28
2.5.1 Study settings and study design .....	28

2.5.1.2 Buguruni, Ilala district, Dar es Salaam (urban) .....	29
2.6 Definition of main outcomes.....	31
2.6.1 Delay in seeking health care .....	31
2.6.2 Costs of care.....	31
2.6.3 LDFU .....	31
2.7 Definition of exposures .....	31
2.7.1 Gender.....	31
2.7.2 Socio-cultural factors.....	32
2.8 Statistical and qualitative analysis.....	33
2.9. Relevance of the research.....	34
3. Pathways and associated costs of care in confirmed and presumptive tuberculosis patients in Tanzania: A cross-sectional study .....	37
Abstract .....	38
3.1 Introduction.....	40
3.2 Methods .....	42
3.3 Results .....	48
3.3 Discussion.....	65
3.4.1 Conclusions .....	68
4. Explaining patient delay in healthcare seeking and loss to diagnostic follow-up among patients with presumptive tuberculosis in Tanzania.....	75
Abstract.....	76
4.1 Introduction .....	78
4.3 Results.....	88
4.4 Discussion.....	105
4.4.1 Conclusions.....	109
5. Traditional medicine practitioners and tuberculosis in Tanzania: What is their role?.....	113
Abstract.....	114
5.1 Introduction .....	115
5.2 Methods .....	117
5.3 Results.....	121
5.4 Discussion.....	136
5.4.1 Conclusion.....	140
6. Traditional healers and tuberculosis in Tanzania.....	141
Abstract.....	142
6.1 Introduction .....	143
6.2 Methods .....	145

6.3 Results.....	150
6.4. 1 Conclusion.....	161
7 General discussion.....	162
7.1 Summary of the key findings.....	162
7.1.1 Main Findings.....	162
7.1.2 Pathways to care.....	163
7.1.3 Delays and loss to follow-up in TB .....	166
7.1.3 THs and TB in Tanzania.....	167
7.1.4 Costs of TB care .....	168
7.2 Strengths and limitations .....	170
7.2.1 Overall strengths .....	170
7.2.2 Added benefits of gender perspective in TB .....	171
7.2.3 Added benefits on role of TH in TB management and control .....	171
7.2.4 Limitations .....	172
7.3 Implications for research.....	174
7.4 Implications for policy and practice .....	175
7.5 Conclusion.....	176
References .....	178
Curriculum Vitae .....	210
